Good morning, Holly and Kelly. I wanted to reach out to check and see when we might see draft comments from your offices. It would be good to get them as soon as possible, as our key technical team member here in Region 8 will be out for 2 ½ weeks after Friday. I'd like to have a chance to confer with him once we've seen your comments. Thanks,

Ayn

Hi. I just added these documents to the Feb. 25 appointment. Please see the Region 8 technical team draft comments, an updated review schedule (note that Region 8 is attending public meeting next week, **Ex. 5 - Deliberative Process**), and the June 2013 "framework" describing the intent/purpose/content of the report.

I encourage offices to consult with each other as much as possible before the conference on the 25th. Region 8 technical lead is Ayn Schmit.

Thanks all. Joan
